

B. Braun Code of Conduct – Compliance Standards for Suppliers

B. Braun Medical Industries Sdn Bhd places great emphasis on Reliability, Transparency and Openness when conducting business with the highest level of integrity. These standards apply to individuals and organizations that provide services, raw materials, active ingredients, components, finished goods and other products.

B. Braun adheres to a stringent Code of Conduct which our suppliers are strictly required to comply with, which focusses on the following aspects:

- Adherence to Applicable Laws and Regulations
- Prohibition of Bribes, Kickbacks, Unlawful Payments and Other Corrupt Practices
- Intellectual Property and Confidential Information
- Labour Practices Guidelines
- Gifts and Entertainment
- Accuracy of Records
- Conflicts of Interest

A full copy of the Code of Conduct is available upon request to B. Braun.
